JULY 2013

2013 BETHEL LAMP MISSION TRIP

Bethel members will be bringing Vacation Bible School to Cat Lake, Ontario with Lutheran Association of Missionaries & Pilots (LAMP). Cat Lake is a fly-in village in northwest Ontario, requiring a 9+ hour drive north, to Sioux Lookout, Ontario, followed by a 2 hour flight on a small charter aircraft.

Cat Lake is like many of the native villages of the far north, with extremely high rates of poverty, teen pregnancy, child abuse, alcoholism, drug abuse, and a suicide rate seven times the Canadian average. Many children live with shoomis and kokum (grandpa and grandma) because their parents are addicted to drugs and are unable to parent. Often shoomis and kokum speak only Oji-cree and therefore cannot help their grandchildren with homework. Economic and social prospects for youth are bleak.

Cat Lake made the news across North America last year when the 6th graders in the village wrote a memo to parents in the village asking them to get off drugs and stop hurting the community. Eighty percent of the parents in Cat Lake are addicted to prescription drugs.

Bethel's team will be facilitating a week of Vacation Bible School for about 80-100 children in the community. Total estimated cost of the trip including sports equipment, gas, flight, and food will be \$ 4,500.

Your support is needed — most importantly, pray for each member of the group to display an authentic life of faith as they embrace the kids and the community with God's love. Pray that God would prepare hearts to hear His message of love and redemption.

Of course, financial help is also needed. The team will need to bring their own food, snacks, supplies and gifts for the kids. A list of items that can be donated will be available in the office, the narthex & at bethelstpaul.com. Cash donations are welcome or make your check to "Bethel Lutheran Church" marked for "LAMP Mission" and place it in the offering.

Join the Resistance!

FROM PASTOR SEABAUGH

The cause is worthy and we must succeed. The enemy is powerful and enjoys a great numerical advantage. We hold the key to victory which no one can take away, yet we often succumb to the enemy, key in hand, without ever using it. I appeal to you today to join the resistance. Who are we resisting? The devil? The evil forces in the world? Sin and death? Sure, they're on the same team and need to be resisted, but Jesus' death and resurrection has assured their fate. The enemy which I describe is devious and sinister. It lives within us and is glorified all around us. I urge you to join the resistance against pride.

Pride vs. Humility

It is impossible to truly know Jesus without a certain level of humility. If we don't acknowledge our sin, we never know our need for the forgiveness Jesus has won for us on the cross. This is only the beginning of our humble walk behind Jesus. Jesus teaches and models humility for us because at any moment, our pride and self-sufficiency can upend our humility, putting us out in front of Jesus. Once in front of Jesus, we feel the sense of power and authority that comes with self-leadership. Others must fall in line behind us. We feel as if we can do anything. We become the center of our universe... and it must stay that way. The problem is, if it does stay that way, we leave Jesus behind... perhaps forever.

The Destructive Doctrine of Self-Esteem

The enemy has infiltrated our homes, our schools, our churches and more. For example, look at how we teach self-esteem in our society. From a very young age, we are taught to be self-sufficient and confident and that we should view ourselves as intrinsically worthy and good and deserving of happiness. As a result of this dangerous doctrine, any criticism that comes to a child or even an adult must be tempered so as not to injure their self-esteem. To retain one's pride is more valuable than anything. At the very least we must retain the outward impression of self-esteem. Inside, the reality is not so confident. While we wear the mask of intrinsic worth and goodness and entitlement on the outside, we realize inside that none of it is true. "If they would really know who I am, then nobody would like me." News Flash: Teen suicide rates are at record highs. Usually, low self-esteem is prominently listed among the causes. My question is simple. Who told them self-esteem was so important? The enemy.

The Redeeming Doctrine of God-Esteem

The doctrine of self-esteem flies in the face of the truth. We are so much less than we should be. Worthy? We did nothing to make this world, nothing to be born, nothing to make the food we eat and the list goes on. We deserve nothing. God gives it all by his grace. Good? While there may be reflections of God's good intent, we are not good. Our desires and thoughts are evil. Entitled to happiness? We are entitled to nothing but to perpetuate this broken world for another generation, making the same mistakes as those before us and dying in disgrace. Self-esteem is a lie. God-esteem is truth. Listen to Jesus:

"Repent, for the kingdom of heaven is near." *Matthew 4:17*

"Blessed are the poor in spirit, for theirs is the kingdom of heaven. Blessed are those who mourn, for they will be comforted. Blessed are the meek, for they will inherit the earth." *Matthew 5:3-5*

continued on next page

Join the Resistance! - *continued* FROM PASTOR SEABAUGH

"If anyone would come after me, he must deny himself and take up his cross and follow me. For whoever wants to save his life will lose it, but whoever loses his life for me will find it."
Matthew 16:24-25

"For whoever exalts himself will be humbled, and whoever humbles himself will be exalted."
Matthew 23:12

So do we end up being worthless good-for-nothing mooches? No! We don't look within to find our value. God has esteemed us through Jesus' death and resurrection. We are worth everything to our Creator. Our goodness is a gift God keeps on giving. Our entitlement is eternal life with the one who sacrificed everything for the ones he esteemed.

Join the Resistance!

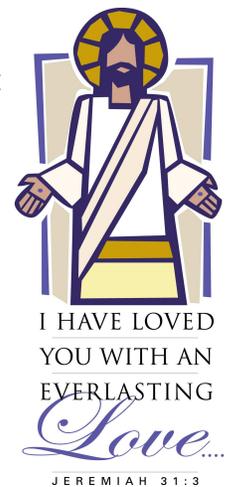

So, be who you are. Join the resistance against pride and be humble. Resist self-esteem. We are poor, miserable sinners who God esteems by the blood of Jesus! Who needs anything more than that? We don't direct our lives, Jesus does! That's what it means to follow him. Put others above yourself. Seek good for others, even those who despise you. Do your job and don't complain. Love the unlovable. Seek the Kingdom of God and stand for God's truth even if it hurts. Humility is the key and when God's people are humble they cannot be defeated! That's because Jesus goes ahead and Jesus has already won the victory. Get behind Jesus. Join the resistance!

God's Love for You—God's People FROM PASTOR FOFANA

The more I read God's Holy Word, the more I realize that love is God's supreme attribute. And behind every dealing, God has with us His perfect love. It was love that made Him create us, and it was love that caused Him to send His Son to redeem us. His love pursues us and draws us to Himself and His love will someday take us into His presence forever.

Human love may change or fade. God's love will never change or fade. He says to us, *"I have loved you with an everlasting love, I have drawn you with loving kindness."* Jeremiah 31:3.

God's love has provided the way of redemption through Christ.
I can actually see God's love here at Bethel Lutheran Church and we love coming together and worshipping our Lord.

FROM JORDAN RAY, DIRECTOR OF CHRISTIAN OUTREACH

Set Christ Apart in Your Heart - 1 Peter 3

We are encouraged in Scripture to do good. We are charged by Christ to love in the face of hate and to repay evil with good. Here in 1 Peter we are told to “revere Christ as Lord” in our heart. What does it mean to revere Christ as Lord and what does it have to do with our eagerness to do good?

After encouraging Christians to do good, this letter addresses the reality that, as strange as it sounds, some will suffer for doing good. We are not to let the suffering get the best of us but are to set Christ apart as Lord in our hearts. When Christ is Lord in our hearts he is at the center of our lives. With our priorities straight we are willing to suffer for good knowing that Christ suffered on the cross for the good of all humanity. As it says, “For Christ also suffered once for sins, the righteous for the unrighteous, to bring you to God.”

In Psalm 56, we read:

“When I am afraid, I put my trust in you.

In God, whose word I praise—
in God I trust and am not afraid.

What can mere mortals do to me?”

I challenge us to be vigilant and look for opportunities to do good and love others. There are times in this life when we will suffer for doing good, but take heart because God is with us. Set Christ apart as Lord in your heart and be ready to give an answer for the hope that you have in Him. You are blessed when you suffer. Don't let fear stop us from sharing the love and truth of Jesus!

A Stewardship Moment

Christian stewardship is the free and joyous activity of the child of God and God's family, the Church, in managing life and all of life's resources for God's purpose.

Personal finances can be a touchy subject. We are each in different places financially for different reasons. Many among us are struggling financially, and the causes may be of our own doing or may be due to a misfortune over which we had no control. Others among us have more than sufficient financial resources. Money and even wealth is not in itself bad, no more than food is bad. The biblical prophets rail against the rich, not specifically because they are rich, but because they are rich and oblivious. The rich man in Jesus' parable in Luke 16:19-31 is doomed to eternal torment because he was luxuriously rich and completely oblivious to the destitute Lazarus lying just outside. One wonders how things would

have turned out if just one of those at the rich man's feast had called his attention to the poor man at the gate.

Great things have been and are being accomplished when people use their wealth for the good of all. "I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future" (Jeremiah 29:11). There are countless real-life examples of allowing money to flow to and through our lives in ways that nourish our world and us. For example, donations to Bethel have allowed our congregation to make disciples for Jesus Christ in our church, neighborhood and world. Taking a biblical approach to money is about putting God's principles into practice so that his purposes for your life and the money He entrusts to you are fulfilled. The challenge is to maintain a balanced relationship with money in a way that leaves you free to hear and respond to God's call on your life.

Our personal financial health is an important dimension of our overall health in faith. To put our finances in order, we have to order our lives and priorities, as well. Personal financial health is best achieved in the same way as personal physical health: develop good daily habits and have an annual check-up. Good habits include basics like preparing a budget so that we live within our means, saving, giving, paying debts on time and continuing to learn about financial issues. "If you have not been trustworthy in handling worldly wealth, who will trust you in handling true riches?" (Luke 16:11).

Our personal financial health matters. Being financially healthy frees us to live a productive and joyful life in service to God. We are stewards, on behalf of God, of all that we have and all that we are. Stewardship is not a program. It is a way of life!

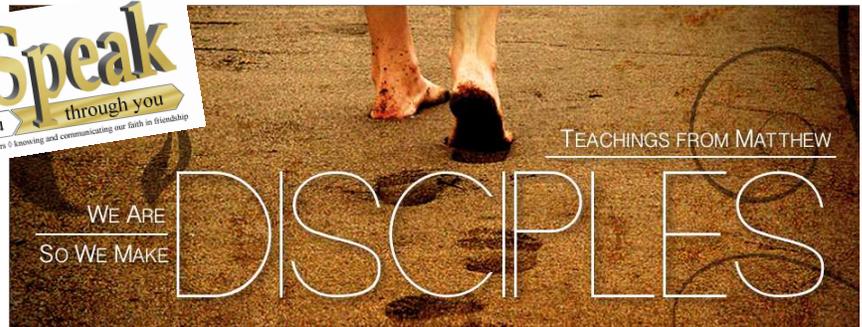

In the service of our Lord, *Financial Stewardship*

LEADERSHIP TEAM MEETING—*APPROVED*—APRIL 25, 2013

Present: Pastor David Seabaugh, Dave Rustad, Lisa Stefan, Tim Schmalz, Tim Goebel, Sean Boll, Lynne Rustad, Bryan Marshall, Jordan Ray, Tricia Bluhm, Adrienne Vandercar, Mike Head, Jordan Ray, Nic Cass, and Anna Reincke

Minutes from the March LT mtg were approved via email.

The April budget meeting was prefaced with a meal, provided by the Rustads, and field worker Nic Cass led mealtime prayer. Leadership Team President Dave Rustad called the meeting to order. Pastor Seabaugh began with devotion and prayer.

2013-2014 Budget

Bryan Marshall handed out and explained budget worksheets. The Leadership Team discussed passing a policy about setting a threshold/limit for borrowing money between the general fund and specified funds. Currently, money is being borrowed from specified giving to pay for operating expenses. Based on projected contributions, the Stewardship Committee recommended that no raises be given this year to Bethel staff. Discussed adding a new item to the budget for Christian education – buying resources for parents that will help them teach Christian education in a home setting, as proposed by Pastor Seabaugh.

Discussion about educating the congregation about stewardship. How can we be more intentional about witnessing the spiritual benefit of giving? How to address the congregation about increasing giving, which is needed to meet this year's budget. It was proposed to challenge the congregation to increase their overall giving – even just a 5 percent increase would enable us to cover our expenses and provide raises for staff next year.

Pastor Seabaugh expressed hope that, as a Leadership Team and as a congregation, we focus more intentional prayers regarding the budget. He referenced Matthew 6:33 – "Seek first his kingdom and his righteousness, and all these things will be given to you as well."

Motion was made that the budget as proposed at \$304,574 be presented to the congregation along with an explanation of the salary freezes. Motion was seconded and carried.

Old Business: CLS Update

•Tim Goebel gave a summary of the most recent CLS board meeting. An informational meeting is planned for 7 pm on May 14 with the governing boards from all of the CLS association churches and the CLS board to discuss concerns regarding the school's financial standing.

•Tim Goebel expressed grave concern that although the school recently closed on an \$810,000 refinance loan, which was supposed to pay off all creditors and bring everything up to date, he got an email from the CLS Treasurer stating that the school still has an outstanding balance of \$47,460. Tim said there was supposed to be about \$9,000 left over from the loan for a bonus to the staff, who has not received raises or an increase in pay in many years.

•Pastor made a recommendation that the CLS discussion be tabled until the next Leadership Team meeting. Some staffing changes at CLS may change the outlook by that time. He stated that it is important that the Bethel LT ask questions of the other association churches. He further recommended that representatives of Bethel come with a positive spirit, and show self-restraint and self-control in their speech and action. Pastor stated: "Seek His righteousness, and not our own. We will trust that God will provide, and whatever the outcome, we will know that we were sitting in that meeting representing the kingdom of God."

Field worker Anna Reincke ended the mtg with prayer.

May LT meeting will be at 6:30 pm on Thursday, May 16, 2013.
