Bethel in Mission Highlight — Tim & Michelle Miller, LBT

At Bethel's Congregational meeting in June a change was made to the budget regarding monetary support from Bethel. A designated fund, called Bethel in Mission, has been formed to support the ministries of Bethel for reaching our church, neighborhood and world. In this fund, monies are raised first before they can be spent. Bethel in Mission includes education assistance, LAMP, Living Nativity, LINC Twin Cities, MN South District support, Lutheran Bible Translators & other future projects.

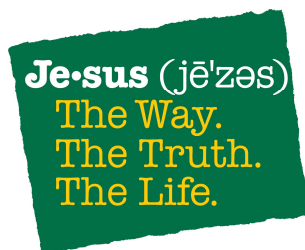

This month Tim & Michelle Miller serving in Southeast Asia with Lutheran Bible Translators is Bethel's focus. The goal is to raise \$1500 this month to support the work of the Millers. On Sunday, February 8, the plan is to use skype to speak with them via video conference using our sanctuary screens!

For your giving for "Bethel In Mission" this month — mark your donations "Tim & Michelle Miller".

Tim & Michelle Miller are currently in Thailand participating in leading a Scripture Engagement and Literacy Training. Many people from different churches in various language groups in Thailand and beyond are attending. Literacy programs and mother tongue scripture engagement strategies are being developed at this training. When LBT translates scripture into previously unwritten languages, the work is not done. The people need to learn to read their language. Hearing God's truth in their own language brings people closer to the God who loves them.

Different ways, but the same reality

From Pastor Fofana

People came to Christ in many different ways, your experience will not necessarily be like my experience. Some conversions are sudden and dramatic, a radical change from one way of life to another.

As Saul of Tarsus approached the city of Damascus on a mission to arrest followers of Jesus Christ, a bright light suddenly blinded him. Later he recounted, he fell to the ground and heard a voice say to him, "Saul, Saul, why do you persecute me?" (Acts 22:7) From that moment on, Saul began to serve the one he had once rejected and later on, his name changed to Paul, from that time God used him to spread the Gospel throughout the Roman empire.

Others came to Christ more slowly, not even knowing exactly when they crossed the line from unbelief to belief. Peter may have been like this, uncertain at first and only later made a firm and decisive commitment to Christ. Yet the Bible doesn't tell us when that moment of conversion came, Peter himself may not have known.

A friend of mine once told me that he grew up in a strong Christian home. According to him his parents were missionaries in Africa. He said he cannot recall a time when he did not believe in Jesus Christ as his Savior, even as a little boy.

The important thing is not how we come to Christ, but we are sure we are now trusting Christ for our salvation. Let me ask you a question. Are you certain of your commitment to Christ? If not, do not let another moment go by without making that commitment.

May the grace of our Lord Jesus Christ and the power of the Holy Spirit be with you all. Amen.

Don't Be Anxious About Anything

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.
Philippians 4:6

Paul's word to the church in Philippi is to not be anxious about anything. When you think about it, what does a Christian have to be anxious about? We have the promises of God, the provision of God and even the grace of God. What could we possibly be concerned about? Yet, anxiety seems to be a common issue for most people. I know that I struggle with it.

Anxiety comes from fear. We are afraid of what might come. We are afraid that we are not in control. The truth is that we are not in control! The Book of Proverbs says that "Many are the plans in a person's heart, but it is the Lord's purpose that prevails." We make plans and work towards goals, but it is God whose purpose prevails. There is nothing wrong with making plans and working hard, but we need to remember that God is in control. We can take peace of heart and mind that Jesus has a plan for us and it is His will that will come to fruition.

I've learned from many of the people older than me at Bethel that as we spend more time on this earth we learn to trust and rely on God. We begin to see that God has a track record of taking care of us throughout our life. Let's pray for God to help us to trust in Him and cure us of our anxieties.

*Dear Lord, you tell us to cast all our anxieties on you, because you care for us.
We need your help to do that. Life is complicated and we have a lot on our plate, Lord.
Give us the peace that comes from knowing that you are in control. Thank you for loving us. Amen.*

Bethel Christian Education Assistance

The purpose of the Bethel Christian Education Assistance Fund is to enable as many members of Bethel as possible to attend doctrinally sound primary schools, secondary schools, and universities; with particular emphasis being placed on encouraging support of our LCMS-affiliated educational institutions.

Education assistance may be awarded to those students whose parents have been active members of Bethel for not less than one year, and who have attended Bethel services on a regular basis. Students attending a LCMS synodical university or seminary preparing for professional church vocations may also be granted assistance for four years; and up to seven if enrolled in a LCMS seminary.

Applications for 2015-2016 school year are available from the church office and are due March 31.

A fund raising meeting was held Sunday, January 11 to discuss the need for fund raising. For the 2014-2015 school year, Bethel has 19 students receiving Education Assistance which is \$38,000 (\$2000 per student). The Rummage Sale will be June 18-20 and several other fund raisers are in the planning stages including the Easter Breakfast, a German Dinner, a Spaghetti Dinner and Sub-Sunday .

To achieve this goal, all members of Bethel will need to be involved and take part in this fund raising! Willing to help? Organize? Cook? Talk Sean Boll or Lynne in the church office!

Thanks Thrivent Members!

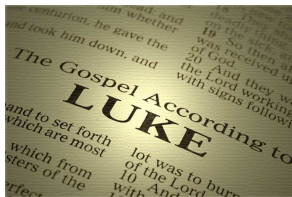

Thank you Thrivent Members for making Bethel Lutheran your choice in Thrivent Choice Dollars! During the calendar year 2014 Bethel received \$4,257.00 which was used for Bethel's education assistance.

Central Lutheran School 'Spotlight Event'

Central Lutheran School's primary fund raising event, the Gala, will be at CLS on **Saturday, February 21**. The focus of the event will be on CLS and its rich heritage, as well as its uncertain future.

Former students will examine why Central Lutheran School was the right choice for their elementary education, and current students will show why it still is the right choice for them today.

The theme is 'Spotlight Event'

The spotlight will be solely on the work of the school, past, present and future.

Jeremiah 29:11: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

The 'Spotlight Event' is planned for Saturday, February 21, from 5:30 to 8:00 pm. Enter from the north side of the building, walking the red carpet into the gymnasium. Servers will be roaming with trays of goodies. Watch the presentations displayed on a number of screens. Bid on auction items. Talk with us about how you can support CLS's mission now and in the future. The suggested ticket price is \$25 per person.

'Spotlight' Silent Auction will include graciously accepted donations from different businesses and individuals. In addition to having the silent auction, there will also be a 'Buy It Now' option; if there is a certificate, item, or basket you really want, there's no need to wait until the end of the event to see if you've placed the highest bid. Just take the item to the auction coordinator, pay the 'Buy It Now' price, and it's yours!

Your part in CLS "Spotlight Event"

1. Pray for the success of the event! Philippians 4:6-7 "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."
2. Former or Current Students responses needed to answer these questions (give to Doug)
When you think back on your time at CLS, what are your fondest memories?
How did CLS prepare you to be a Christian disciples?
How did a Christian education at CLS equip you with the fundamental knowledge and skills for responsible citizenship in the community and the world?
3. Attend! No limit on attendees! The program will be repeated throughout the evening, so you can come for a short while, or you can stay the entire time. Its up to you!
4. Volunteer! Talk to Doug Zimmerman (651.226.6926, dougjzman@gmail.com).

Hi & an update from Buck LeGreco

Greetings in the season of our Lord's birth,

With Christmas closely approaching I wanted to take the opportunity to send you an update from the Seminary and how the school year has been going. We have already put an end to the first few weeks of our Winter Term which means that classes are going by fast. I have a busy schedule this quarter but am enjoying what will be my last few months of studies at the Seminary. It is hard to believe that there are only a few months left of my career here in St. Louis and I am looking forward to seeing where God will call me into the service of His Church.

I have completed all of my final paperwork and submitted everything I need to have my name go out for the placement process. I finished my interviews with our directors here and it is making everything feel very real at this point. Now it is just the anticipation of waiting to see if I have any interviews over the next few months and then awaiting April 29th to hear the news at Call Day. I can't wait.

I am very thankful this year that I will be able to celebrate Christmas with all of my family. This has been our tradition for many years but I also know it will become harder for me to travel once I am in the parish. My family is spread throughout the country but we are all making the trip to stay with our parents and have the chance to celebrate the joy of Christmas with one another.

I am also truly thankful for all of the support which all of you have shared with me over these past four years. Every time I receive a card, letter, church bulletin, or any number of other ways you have contacted me I feel truly blessed and I know that there is so much more that each of you do by keeping me in your prayers and assisting to cover the costs of my schooling. Thank you all for your gifts and the Christian love and support you have giving to me.

I pray that you all have a blessed Christmas season and if any of you travel that God will protect you and keep you safe. It is while we all celebrate the birth of our Lord Jesus Christ that we know what a true gift is and everything our God does to show His love to each one of us.

God's Blessings be with you,

Nathan "Buck" LeGreco

December 2014

Am aware of the generosity and kindness extended to our congregation, Church of the Redeemer, by Bethel Lutheran.

And then, last Sunday, I was surprised by the Karen refugees who are forming a new congregation in St Paul attending our worship service. What is more, Bethel Lutheran is welcoming them to worship at 1:30. Thank you for blessing the body of Christ in this way.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because they have not believed in the name of God's one and only Son.
